TREY SONGZ

Trey Songz is on a winning streak. The Grammy-nominated 27-year-old drops his fifth album, *Chapter V*, next month, and if the hit "Heart Attack" is any sign, it's going to kill. Songz, born Tremaine Aldon Nevers, deserves it: The man gives a lot of love, which explains his more than 4.2 million Twitterites. His charity, AngelsWithHeartFoundation.org, works with his fan club, Trey's Angels, to do clothing drives. (A few admirers mobbed our shoot on Sunset Boulevard, on first page.) He also gets raves for his fashion sense. "Dressing sporty shows confidence, and nothing is sexier than confidence," Songz says. Score high on style tonight by following his playful, sexy lead.

A black and white photograph of a young man and woman posing together in a bar or club. The woman, on the left, has her arm around the man's shoulder. She is wearing a red and black varsity-style jacket over a dark top, a sequined mini-skirt, and large hoop earrings. The man, on the right, is leaning forward, looking at the camera. He is wearing a dark jacket over a striped shirt and dark jeans. The background is blurred, showing shelves of bottles and bar stools.
